Re: Letter of Bondability  
Nutech Fire & Security, Inc.

Dear Mr. Graves:

This letter is to serve as a general Statement of Bondability for **Nutech Fire & Security, Inc.** Based upon normal and standard underwriting criteria, we should be in a position to provide Performance and Payment bonds in the area of \$2,000,000 single job and \$5,000,000 aggregate parameters. **Nutech Fire & Security, Inc.** is currently bonded through Developers Surety and Indemnity Company. **Nutech Fire & Security, Inc.** is an excellent contractor and we hold them in the highest regard.

Obviously, we feel extremely confident in our contractor and encourage you to offer them an opportunity to show the quality and professionalism they possess.

This letter is not an assumption of liability, nor is it a bid or performance & payment bond. It is issued only as a bonding reference requested by our respected client. If you should have any questions, please do not hesitate to give me a call.

Sincerely,

Laura D. Mosholder, AFSB, CIC, CISR  
Surety Bond Specialist
